

CYBEXcellence

Popular with all age groups, the CYBEX stepper gives exercisers a smooth and virtually silent action with programs to provide a varied workout — a favorite piece to round out the cardiovascular product offering of any facility.

CYCLONE-S Stepper incredible speed AND COMFORT

Features

Smooth & Silent

Cable drive presents incredibly smooth feel. Patented braking system provides virtually silent operation.

Exceptional Stability

Welded, heavy-duty steel frame provides exceptional stability, and has a powder-coated finish for extra protection.

Manual Mode

Manual mode lets you decide as you go, with 29 levels and a speed range from 10 – 150 feet per minute.

Personal Entertainment Monitors

Available with optional Personal Entertainment Monitors.
